Mackintosh Art

The Mackintosh frame in grey curly maple is a perfect complement for "The Village of La Lagonne," a C.R. Mackintosh art print. Measuring 21" wide x 29" high, the framed print sells for \$545. From Heinrich Zimmer, (734) 417-5500, hzwoodworks.com

Curve Appeal

A disciple of the legendary Sam Maloof, Scott Morrison built eight iterations of this sculptural chair before perfecting No. 9. In Oregon black walnut, the chair measures about 22" wide x 20" deep x 32" high. It sells for \$2,800. From Scott Morrison Woodworking, (406) 322-1132, finewoodworker.com

Racing Greene

The Greene & Greene Dining Table is an interpretation of the one the brothers made for the Thorsen House. In mahogany and ebony, the race-track-shaped table retails for \$9,750. Aurora side chairs are \$1,350 each. From Darrell Peart Furnituremaker, (425) 277-4070, furnituremaker.com

Wing and Water

The Wing sink is one of several new relief patterns available in spun-cast bronze. The sinks measure 17" wide x 6" deep. In antique bronze, the sink is \$1,600. In white bronze, it's \$1,700. From Linkasink, (866) 395-8377, linkasink.com
